## ALUMNI AND FRIENDS OF THE UNC WOMEN'S GOLF PROGRAM

The goal of UNC Women's Golf is to provide our Bear student-athletes a championship experience. What is a championship experience? The opportunity to represent the University at the highest level, against premier competition, alongside the top talent using the most innovative equipment and coaching while earning a degree at UNC.

The UNC Women's Golf team has accomplished a great deal with limited resources the past few years. Our student-athletes continue to succeed in competition and academically. We have had numerous Scholar All-Americans (5 in 2019-20), a Big Sky Individual Champion, and several top 10 finishes along the way. We are desiring to reach the next level and your financial support can help us get there.

The University of Northern Colorado Women's Golf is excited to announce the **5 for 5 Fundraising Program**. We are reaching out to our alumni and friends to respectfully request your consideration in making a pledge of \$500 a year for the next 5 years. Your generous commitment will provide reliable and ongoing resources to help take our program to the next level with our goal of winning another Big Sky Women's Golf Championship.

With your help, we can continue to build off our Bears' success. Please consider joining our team and making your pledge today.

Sincerely,

**Ben Portie**

### Ways your donation will assist in elevating the UNC Women's Golf Program:

- Upgrade to an optimal tournament schedule — leading to higher rankings and a better chance at the postseason
- Adding an extra tournament — our ladies usually play nine events through the fall and spring season
- Better clothing/gear for inclement weather practice and tournaments
- Purchase higher quality equipment to provide a championship experience
- Upgrade training equipment in our indoor practice facility
- Enhance the recruiting budget to expand our outreach
- Women's Golf scholarships
