

DEFINED BY PASSION & PRIDE...DRIVEN BY PURPOSE!

The UNC Fast Break Club is the official booster club of UNC Women's Basketball and its members are the heartbeat of our program, offering support both on and off the court. What makes our program so special is that it is bigger than one. It's all about the players, coaches, community, and you! Our goal is to provide each young woman in our program the experience of a lifetime!

Members of our Fast Break Club help finance important resources & experiences that are vital to team performance enhancement and player well-being. Fast Break members create an edge for our players which is critical in continuing to help attract future championship level talent. Your choice to participate in the Fast Break Club sends a message that you believe in our program and are willing to support our young women with a most precious resource.

Fast Break members are not only a part of our legacy but share the same lofty expectations for our program. They're the loudest ones in the arena during the game, the fans we can count on to help elevate our program through fundraising participation, raising public awareness, and being there to cheer our ladies on, whether at home or on the road. Your financial generosity allows you inside access into our program and the opportunity to stay connected with the Bears. We anticipate many wonderful moments together this season.

See you courtside,
Coach Mattio

2022 Season Successes

- Knocked off the **#1** seed in the Big Sky Tournament for the 1st time in school history.
- Toughest defense in the conference! **15 times**, the Bears held their opponents below **60** points, including five separate occasions when they kept teams in the **40's**.
- **#10** ranked in the nation WBCA Academic **Top 25** with a **3.66** Team GPA. Only Big Sky school (over 350 Division 1 schools).
